Our fleet is comprised of the top brands and models in the powerboat industry. We also typically rotate our boats out every three years or less. Our staff works hard to clean and maintain the boats to ensure every excursion is a premium boating experience. Plus, every boat is equipped with all required US Coast Guard safety equipment to provide a safe and memorable outing.

You'll Never Believe How Simple Boating Can Be

We Do All the Work

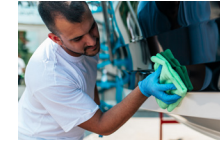

So You Have All the Fun

There are few moments more memorable than those spent on a boat. It's a wonderful way to just get on the water and go.

Freedom Boat Club has been making boating more accessible to more people for over thirty years. That's because we do all the work... leaving more time to spend with family and friends. We've taken every effort to make sure you have the safest, simplest and most enjoyable experience on the water.

Our US Coast Guard certified captains help you feel confident behind the wheel, no matter your experience level.

Our dock staff and mechanics keep the fleet in top condition by cleaning, fueling and maintaining every boat.

Make up to four rolling reservations by phone, web or app. Or you can call to see what boats are available.
